

We Appreciate Your Support!

Associates, CFI Members appreciate your membership! CFI is continually exploring new opportunities to enhance the value of professional installation. With your support, this is possible!

The CFI current Membership Directory is included with your renewal. This is the Industry's main source of contact information for quality-minded Installers who promote professional installation, and knowledgeable Inspectors, Retailers, Distributors and Manufacturers who support CFI. This information is available in a different format online at www.CFIinstallers.com.

Working together, we have enlisted new members who are encouraged by the goals of CFI. Installation training is an expensive and costly responsibility.
